Designs and Sketches Submitted for Public Building Work

*Send us blue-prints or complete specifications and we will
gladly prepare layouts, sketches and estimates*

The high point of manufacturing efficiency reached by the Fibreduro Organization can best be realized by a visit to the factory — where all lighting fixture dealers are welcome.

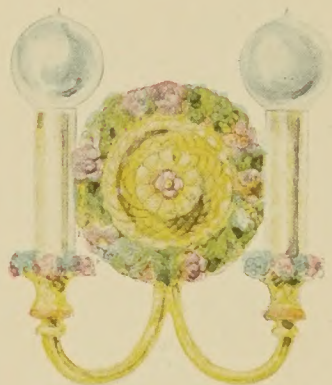

Every device and mechanical improvement that helps to create better composition-fibre fixtures is included in the Fibreduro factory as a matter of course.

Fibreduro's highly skilled craftsmanship is accentuated by the superb, artistic and enduring finishes applied. Illustrated is a 48-inch diameter fixture being sprayed.

FIBREDURO *for* Theatres

For many years FIBREDURO has been furnishing the lighting equipment for theatres all over the country.

The specialized knowledge that FIBREDURO now has can stand you in good stead.

The problem of furnishing sufficient light under the balconies, as well as the proper illumination from the ceiling, FIBREDURO has solved—artistically and economically.

If there are any theatres being built in your vicinity, get the plans and send them to us.

Our cooperation has landed many theatre jobs for many dealers.

FIBREDURO for Public Building Work

Hundreds of churches, theatres, hospitals, libraries, Masonic Temples, schools, banks, city halls, Y. M. C. A.'s, etc., throughout the land attest to the superiority of FIBREDURO for public building work.

This is an age of specialization. From the very day it began to do business, FIBREDURO has specialized on public building work.

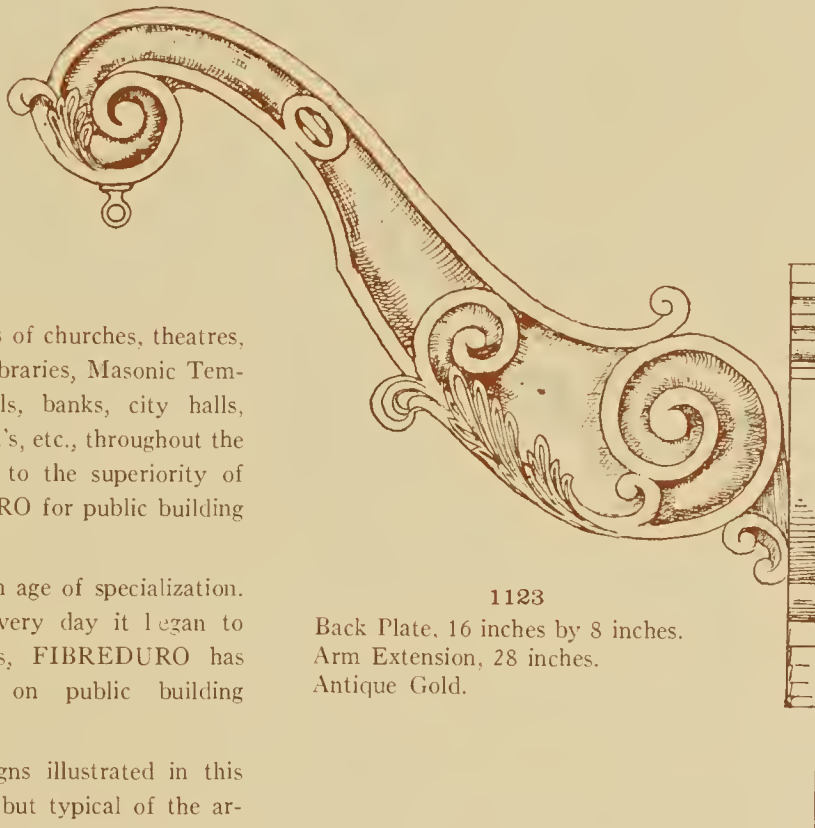

The designs illustrated in this catalog are but typical of the artistic character of all FIBREDURO Creations.

FIBREDURO will gladly submit sketches to conform to the architecture of the projected building, and equally as important to conform to the appropriation set aside for lighting.

Let Fibreduro Help You Get Your Share of Public Building Work

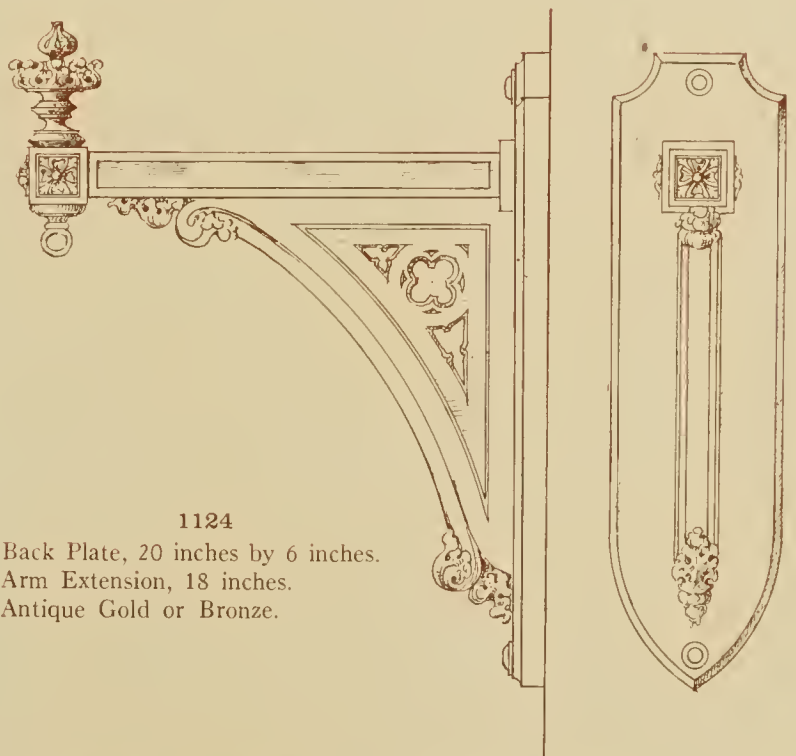

Secure from the architects or contractors of the buildings going up, copies or blueprints of plans and specifications, and send them to FIBREDURO, together with the approximate appropriation allotted for lighting.

FIBREDURO will gladly co-operate with you in furnishing designs and sketches and economical estimates.
